United Hospital Limited: Official Policy & Operational Guide

1. Admission Policy & Procedures

1.1 General Admission

- **Documentation:** Patients must provide a valid National ID (NID) or Passport and previous medical records.
- **Deposit Requirements:** A mandatory initial deposit is required at the time of admission.
  - **General Ward:** BDT 20,000 - 30,000
  - **Standard Cabin:** BDT 50,000
  - **ICU/CCU:** BDT 100,000+ (depending on the severity)
- **Hospital Information System (HIS):** Every patient is assigned a **Unique Patient ID**. This ID must be used for all future communications and online report retrievals.

1.2 Emergency Admission

- The Emergency Department operates **24/7**.
- Life-saving treatment begins immediately; however, a family member must complete the admission formalities within **2 hours** of arrival.

---

2. Comprehensive Billing & Financial Policy

2.1 Billing Cycle

- **Interim Bills:** Generated every 48–72 hours. Patients/attendants are notified via SMS or physical slip to replenish their deposit if it falls below a certain threshold.
- **Pharmacy & Consumables:** All medicines are supplied exclusively by the **United Hospital Pharmacy** to ensure authenticity. Outside medicines are strictly prohibited unless authorized by a consultant.

2.2 Payment Modes

- **Online Payment:** Payments can be made via the official United Hospital Online Payment Portal.
- **Accepted Cards:** Visa, MasterCard, AMEX, and local MFS (bKash/Nagad).

- **Note:** Personal or company cheques are **not** accepted for final settlement at the time of discharge.

2.3 Corporate & Insurance

- **Credit Facilities:** Available only for employees of organizations with a pre-existing **Memorandum of Understanding (MoU)**.
- **Insurance:** UHL works with major international insurers (CIGNA, Aetna, BUPA) and local firms (MetLife, Green Delta, Delta Life). A valid **Letter of Authorization (LOA)** is required for cashless service.

---

3. Patient Rights & Ethical Standards

As a **JCI-Accredited** hospital, UHL adheres to the following:

- **Informed Consent:** Surgeons must explain the risks, benefits, and alternatives of any surgery ($Surgery \rightarrow Risk \times Benefit$).
- **Confidentiality:** Medical records are only released to the patient or legal guardian. Digital access is protected by encrypted Patient IDs.
- **Complaint Redressal:** Patients can file grievances through the "Customer Care Desk" in the lobby or via the official hotline. Feedback is reviewed by the Quality Assurance (QA) committee.

---

4. Visitor & Attendant Regulations

4.1 Attendant Policy

- **Cabin:** One (1) permanent attendant is allowed stay overnight.
- **Ward:** No overnight attendants allowed; nursing staff provides 24/7 bedside care.
- **Attendant Pass:** A color-coded pass is issued and must be worn at all times.

4.2 Visiting Hours

- **General Areas:** 4:00 PM – 6:00 PM daily.
- **ICU/CCU:** Strictly 11:00 AM – 12:00 PM and 5:00 PM – 6:00 PM (One visitor at a time, for 5 minutes maximum).

---

5. Emergency Codes & Safety

Your AI should be trained to recognize these safety protocols:

- **Code Blue:** Cardiac or Respiratory Arrest.
- **Code Red:** Fire emergency.
- **Code Yellow:** External disaster/Mass casualty.
- **Hotline Numbers: * Emergency:** 10666 (Local) or +880 1914 001234.
    - **Ambulance:** +880 1914 001232.

---

6. Discharge Protocols

- **Check-out Time:** 12:00 PM.
- **Process:** After the consultant signs the discharge order, the file moves to the Pharmacy, then Billing. This typically takes **2–3 hours**.
- **LAMA Policy:** If a patient leaves against medical advice, they waive the right to hold the hospital liable for future complications.
